Not to blame the grieving, but the media never lets on that the drug is merely recreational. Always pointing to any sign of struggle as a sign of the tragedy of a death. The other day it was a "student" who took a few too many illegal drugs. She was a "student" because she didn't graduate. We all know what happened next. What did we learn from this? I'll tell you what we learned, we learned that she's dead. A sad story but the reality of death is rarely reported.// Package jsoniter implements encoding and decoding of JSON as defined in // RFC 4627 and provides interfaces with identical syntax of standard lib encoding/json. // Converting from encoding/json to jsoniter is no more than replacing the package with jsoniter // and variable type declarations (if any). // jsoniter interfaces gives 100% compatibility with code using standard lib. // // "JSON and Go" // (// gives a description of how Marshal/Unmarshal operate // between arbitrary or predefined json objects and bytes, // and it applies to jsoniter.Marshal/Unmarshal as well. // Besides, jsoniter.Iterator provides a different set of interfaces // iterating given bytes/string/reader // and yielding parsed elements one by one. // This set of 82157476af
